

ONE TO ONE MASTERCLASS WITH SALLY ORCHARD

Sally has been teaching makeup for over 20 years. Makeup artists from total beginners to established makeup artists have sought advice and knowledge from Sally to move them forward in their field.

Each masterclass can be designed for your needs. If you want to learn skin techniques or eye liner Sally can concentrate on those areas or if you would like to learn the more business side of things like how to set up your business and social media she can help.

SALLY OFFERS TWO MASTERCLASSES:

ONE TO ONE MASTERCLASS (6 HOURS) £325

This is 6 hours of teaching with models booked if you need them. Sally will also take some professional photo's of you working for your portfolio and website. There is a 30 minute lunch included, which she can supply (booked in advance). After the day is completed you will receive a certificate of attendance.

ONE TO ONE MASTERCLASS (3 HOURS) £175

This is 3 hours with Sally to fine tune your makeup skills and update your knowledge. No lunch is provided. Photo's are not taken on this masterclass. After the day is completed you will receive a certificate of attendance.

To book a masterclass Sally asks for 50% paid in advance and then 2 weeks before the remaining amount. Failure to do this may result in losing your deposit. Alternatively you can choose to pay in full. This can be done by bank transfer or over the phone (over the phone occurs a 2.75% admin fee).
